Re: Participant Alexander Wasil

Dear Mr. Wasil:

As you know, this office represents the Plumbing and Pipefitting Industry Local 219 Annuity Fund ("Annuity Fund"), the Plumbing and Pipefitting Industry Local 219 Pension Fund ("Pension Fund") and the Plumbers and Pipefitters Local 219 Health and Welfare Fund ("Welfare Fund"), (collectively, "Trust Funds"). Please accept this letter as the Trust Funds' response to your email to me dated June 9, 2026 ("Email") regarding Alexander Wasil's benefits.

In your Email, you demand certain documents as "Personal Representative of the Estate of Alexander Wasil." Specifically, you demand that the Trust Funds produce certified copies of (1) Alexander Wasil's signed retirement election form; (2) the historical accounting ledger for the Annuity Fund; and (3) the complete administrative file for the Trust Funds, including all internal notes, calculations and record logs.

Please be advised that the Trust Funds' records do not indicate that you are Alexander Wasil's designated beneficiary. In addition, the Trust Funds have not received documentation establishing that you have been appointed as the executor or administrator of Alexander Wasil's estate, or otherwise possess legal authority to act on behalf of Alexander Wasil's estate. To the contrary, a cursory review of the public probate court records reflects that the Probate Court of Summit, Ohio entered a Summary Release from Administration on July 22, 2021 and authorized the transfer of Alexander Wasil's assets to Wendy Wasil. The court records do not identify you as the executor, administrator or other person legally authorized to act on behalf of Alexander Wasil's estate.

As a result, the Trust Funds are neither authorized nor obligated to provide you with the above-referenced requested documents. The Trust Funds have fiduciary and privacy obligations to protect participant information and cannot disclose such records to individuals who have not established a legal right to receive them.

Absent documentation establishing a legal right to obtain these records, the Trust Funds will not provide the requested information. Should you seek these records through formal legal proceedings, the Trust Funds will respond to any valid subpoena, court order or other compulsory legal process in accordance with applicable law and may assert any applicable objections, privileges or confidentiality protections available to the Trust Funds.

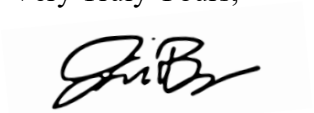
Very Truly Yours,



Jessica A. Brady
